

**Braves SunTrust Park
Georgia CTI Pre-Conference Registration Tour**

Georgia CTI will be offering an Educational CTI Pre-Conference Registration Business and Industry Visit of The Braves SunTrust Park. Students who participate in the visit will experience all the aspects of the Sports and Entertainment Marketing Pathway and it enhances their exposure to career explorations in this field as well as incorporates putting into practice many employability skills. They will learn about Braves history and get a close-up look at the unique areas of Major League Baseball's newest ballpark. Located inside the Battery Atlanta, there are also plenty of shops and restaurants that can be incorporated into any visit!

Georgia CTI has also worked with Work Source Georgia and secured their Career Coach bus to be on site as well for a pre-conference optional event that will enhance the students experience in career exploration.
